ITEM-100: (R-89-385) ADOPTED AS RESOLUTION R-271862

Awarding a contract to Sapper Construction Company for Construction of Concrete Barriers on Sports Arena Boulevard Bridge Over the San Diego River; authorizing the City Auditor and Comptroller to transfer \$68,096 from Capital Outlay Fund 30245, CIP-52-353, Eighth Avenue Improvements - from "L" to Harbor Drive, to CIP-62-277, Sports Arena Drive Bridge Concrete Barrier Walls; authorizing the expenditure of an amount not to exceed \$68,096 from CIP-62-277, Sports Arena Drive Bridge Concrete Barrier Walls, to supplement funds previously authorized by Resolution R-271255, adopted on June 27, 1988, for said project and related costs; authorizing the Auditor and Comptroller, upon advice from the administering department, to transfer excess budgeted funds, if any, to the appropriate reserves.

(Mission Bay Community Area. District-6.)

CITY MANAGER SUPPORTING INFORMATION: This project will provide needed safety improvements on this heavily traveled section of roadway. Improvements will minimize pedestrian-vehicle conflicts, separate opposing traffic, and contain vehicles within the driving lanes. Bids were opened on August 3, 1988, and the lowest bid received was 15 percent above the estimate of \$389,910 (24 bid packages were issued). It is recommended that the project be awarded, since an analysis of the bidding results in the conclusion that readvertising will not produce a lower bid.

* ITEM-105: (R-88-1872) ADOPTED AS RESOLUTION R-271867

19880919

Inviting bids for the Construction of Mechanical Works Portion of the Heating Ventilating and Air Conditioning Systems for the Museum of Man located in Balboa Park on Work Order No. 119187; authorizing the execution of a contract with the lowest responsible and reliable bidder; accepting the contribution of \$38,000 from the Museum of Man to be used for the above purpose; authorizing the City Auditor and Comptroller to establish Fund Number 60257 for the purpose of depositing said contribution; authorizing the expenditure of funds not to exceed \$100,000 (\$38,000 from Fund 60257, Account 9532 and \$62,000 from Fund 100, Department 532, Account 4213, Job Order 119187) for providing funds for said project and related costs; authorizing the Auditor and Comptroller, upon advice from the administering department, to transfer excess budgeted

funds, if any, to General Services Department, Buildings Division, Fund 100. (BID-9824)
(Balboa Park Community Area. District-8.)

CITY MANAGER SUPPORTING INFORMATION: The Museum of Man has 32,289 square feet of floor space of which 9,500 square feet requires immediate heating, ventilating and air conditioning to meet their present need in a special exhibit and working area. An amount of \$38,000 was appropriated by the Museum to install a heating and air conditioning unit for their new exhibits. General Services/Buildings Division budgeted a special project to replace the leaking condensate line in the Museum of Man. The estimate for replacing the line which is insulated with asbestos material is \$62,000. Buildings Division is recommending that the City accept \$38,000 from the Museum of Man and combine both projects to install a viable heating, ventilating and air conditioning system which will serve their present needs, relieve the City of a 40-year old obsolete heating system and provide the Museum with air conditioning for their requirements. The design allows for the addition of similar equipment in the future which will provide the Museum a complete HVAC system. The recommended system will have adequate redundancy, low maintenance cost and low utility cost.

Two actions relative to vacating Mission City Court and excess portions of Northside Drive:
(Mission Valley Community Area. District-5.)

Subitem-A: (R-89-490) ADOPTED AS RESOLUTION R-271869

Vacating Mission City Court, a street reservation, the slope easements appurtenant thereto and the excess portions of Northside Drive, all within and adjacent to Mission City Unit 2, under the procedure for the summary vacation of streets where the streets to be vacated consist of a portion of a street or highway that lies within property under one ownership and that does not continue through such ownership or end touching the property of another; declaring that this Resolution shall not become effective unless a consolidation parcel map for the affected parcels has been approved by Council action; in the event that the consolidation map is not approved within three years, this Resolution shall become void and be of no further force or effect; directing the City Engineer to advise the City Clerk of the approval of the aforementioned consolidation parcel map.

Subitem-B: (R-89-491) ADOPTED AS RESOLUTION R-271870

Certifying that the information contained in the Addendum (EQD-88-0068) to the Environmental Impact Report (EIR-82-0556), in connection with Mission City Corporate

Center, has been completed in compliance with California Environmental Quality Act of 1970, and State guidelines, and has been reviewed and considered by the Council.

CITY MANAGER SUPPORTING INFORMATION: The proposed vacations and abandonments have been requested by the developer to facilitate development under an approved Special Development Permit, No. 88-0068. The developer proposes consolidation of Lots 15-21 of Mission City Unit 2 with Mission City Court, relocation of the street reservation approximately 70 feet south, and realignment of Northside Drive to accommodate a commercial office complex. The proposed vacations are located in the Mission Valley Community in a CA Zone and total approximately 2.74 acres. The vacations will not affect density since development of the adjacent properties are committed for commercial office use only under the approved Special Development Permit, No. 88-0068. The Planning Department has no objection to the vacations, and the Planning Commission recommended approval on July 28, 1988, by a 4-0 vote. Mission City Court and Northside Drive are graded but otherwise unimproved and do not contain public or franchise facilities. The street reservation is also unimproved. Mission City Court serves as the only access to several properties and requires a consolidation parcel map to prevent landlocking. In addition, the developers are proposing to realign Northside Drive slightly and relocate the street reservation in Lot 20 and adjacent slope easements in Lots 18-20 on a parcel map. Therefore, the vacations and abandonments are to be conditioned upon the completion of a consolidation parcel map. Staff review has indicated that the rights-of-way to be vacated will no longer be required for present or prospective public use and may be summarily vacated, conditioned upon the approval of a consolidation parcel map.

ITEM-108:

Seven actions relative to the final subdivision map of International Business Center, a 17-lot subdivision located southwesterly of Siempre Viva Road and Cactus Road:
(Otay Mesa Community Area. District-8.)

Subitem-A: (R-89-501) ADOPTED AS RESOLUTION R-271871

Authorizing the execution of a Subdivision Improvement Agreement with Gadco/Otay Mesa, Ltd. for the installation and completion of public improvements.

Subitem-B: (R-89-500 Rev.1) ADOPTED AS RESOLUTION R-271872

Approving the final map.

Subitem-C: (R-89-502) ADOPTED AS RESOLUTION R-271873

Approving the acceptance by the City Manager of a deed of Gadco/Otay Mesa Ltd., granting to the City Lot 17 of International Business Center.

Subitem-D: (R-89-503) ADOPTED AS RESOLUTION R-271874

Authorizing the execution of an agreement with Gadco/Otay Mesa Ltd. for payment of fees for public facilities.

Subitem-E: (R-89-504) ADOPTED AS RESOLUTION R-271875

Authorizing the execution of an agreement with Gadco/Otay Mesa Ltd. for future improvements to Siempre Viva Road.

Subitem-F: (R-89-505) ADOPTED AS RESOLUTION R-271876

Authorizing the execution of an agreement with Gadco/Otay Mesa, Ltd. for the construction, operation, maintenance and removal of a temporary sewer pump station.

Subitem-G: (R-89-506) ADOPTED AS RESOLUTION R-271877

Approving the acceptance by the City Manager of street easement deeds of Otay Mesa Land Partners, dated December 12, 1987; Jaime Pedraza Urena, dated April 20, 1988; Jose Martinez and Maria Guadalupe Martinez, dated February 22, 1988; John S. Marquez and Carole G. Marquez, dated November 20, 1987; Mark R. Robinson and Diane M. Robinson, dated October 22, 1987; Susan D. Neale, dated February 12, 1988; Marilyn J. Grissom, dated February 12, 1988; and Barbara Wruck, dated February 11, 1988, granting to the City easements for public street purposes in portions of Lots 1, 2 and 7, Section 4, Township 19 South, Range 1 West, San Bernardino Base and Meridian, and in Parcels 1, 2 and 4 of Parcel Map PM-5413; dedicating said land as and for public streets and naming the same Siempre Viva Road and Cactus Road.

CITY MANAGER SUPPORTING INFORMATION: In addition to the standard Subdivision Improvement and Development Agreements, the subdivider is entering into agreements for the construction, operation, maintenance and removal of a temporary sewer pump station, and for the westerly extension of Siempre Viva Road. Both of these agreements are requirements of Tentative Map Resolution No. 5207. Condition 14 of Resolution No. 5207 requires the subdivider to furnish and install a temporary sewer pump station and deposit a pro rata share of the future gravity sewer system necessary to serve this project, as well as a pro rata share of operation and maintenance costs of any other sewer pump station which may replace International Business Center's temporary one, and provide for payment of International Business Center's share of oversizing cost of one future temporary sewer pump station which may replace International Business Center's pump station. A deposit of \$88,022 has been made to the City to cover these expenses. The second agreement, for the westerly extension of Siempre Viva Road, satisfies Condition No. 7, which provides for half-width improvements of Siempre Viva Road adjacent to the subdivision, which may be deferred up to six years through a bonded agreement. A bond in the amount of \$301,760 has been posted to assure the work as shown on Drawing 24211-D. The work is to be completed either at the end of six years or when required by the City Engineer, whichever comes first.

* ITEM-113: (R-89-522) ADOPTED AS RESOLUTION R-271890

Authorizing the execution of a deed conveying to San Diego Gas & Electric Company an easement for overhead electrical facilities and appurtenances, affecting a portion of City-owned Southeast Quarter of the Southeast Quarter of Section 18, Township 18 South, Range 1 West, S.B.B.M. (City of Chula Vista.)

CITY MANAGER SUPPORTING INFORMATION: In 1962, the City and County bought adjoining parcels of land in Chula Vista for the Otay Sanitary Fill. That same year, the City leased its portion of the sanitary fill, amounting to 98.61 acres, to the County for landfill purposes. The lease expires in 1992. The City's land has been used for landfill, access to the County's parcel, and toll booths. The County constructed a paved access road across the City's parcel as permitted under the lease. In 1982, the City Council granted SDG&E an easement to install overhead electrical lines on the City's parcel along the existing paved access road. The lines provide electrical power to the toll booths on the City's parcel and to a liquid waste treatment plant and a recycling center on the County's property. The County recently found the need to widen the access road, which necessitated the minor realignment of some of the electrical lines. SDG&E requests that it be granted an easement for the new alignment and has issued a quitclaim deed for the easement previously granted by the City. Both the old and new easements contain about 19,000 square feet. The County is paying all costs associated with this easement exchange.

* ITEM-115: (R-89-493) ADOPTED AS RESOLUTION R-271892

Authorizing the City Auditor and Comptroller to establish a Trust Fund No. 10584 to be entitled "Tierrasanta Ordnance Sweeping Fund"; declaring that all interest earned by the fund shall be retained in the fund and be used for the purpose of the fund.

(Tierrasanta Community Area. District-7.)

CITY MANAGER SUPPORTING INFORMATION: On July 5, 1988, the City Council authorized the City Manager to collect \$450,000 from the Lusk Company in lieu of requiring Lusk to provide the City a five-year insurance policy against any incidents involving military ordnance in the Tierrasanta Norte development area. The expressed purpose for collecting these monies is to provide a funding source for future ordnance sweeps in this area. The subject Council action will allow the interest earned on the principal to be retained in this specific fund instead of being credited to the General Fund, thereby allowing for more ordnance sweeping capability in the future.

Authorizing the expenditure of an amount not to exceed \$20,000 from Trust Fund 39010 (Spreckles Organ Pavilion Trust Fund) for a public address system at the Organ Pavilion in Balboa Park; authorizing the use of City Forces to install a public address system at the Organ Pavilion in Balboa Park.

(Balboa Park Community Area. District-8.)

CITY MANAGER SUPPORTING INFORMATION: Due to the increasing popularity of the Organ Pavilion, the number of concerts and programs scheduled at the Pavilion have increased. The current public address system is inadequate resulting in a poor distribution of sound. This proposed project will install sound equipment which will handle a full range of instruments, include amplifiers for six microphones, mixers and four upgraded

speakers. In addition, the entire system will be rewired. This will result in an improved quality of sound for concerts and programs at the Organ Pavilion. General Services/Communications and Electrical staff will be responsible for the installation of the equipment.

CITY MANAGER SUPPORTING INFORMATION: California Vehicle Code

Section 17004.7 provides that a public agency employing peace officers which adopts a written policy on vehicular pursuits which meets the minimum standards as outlined in the section is immune from liability for civil damages for personal injury to or death of any person or damage to property resulting from the collision of a vehicle being pursued. It is the opinion of the City Attorney's Office that the San Diego Police Department pursuit procedures should be reviewed and adopted by the Council pursuant to California Vehicle Code Section 17004.7.

Authorizing the execution of an agreement with the Normal Heights Community Development Corporation for certain economic development activities; authorizing the expenditure of an amount not to exceed \$77,300 from Fund 18524, Dept. 5665, Org. 6501, for the purpose of providing funds for the above project.

Subitem-B: (R-89-495) ADOPTED AS RESOLUTION R-271897

Authorizing the execution of an agreement with the City Heights Community Development Corporation for certain economic development activities; authorizing the expenditure of an amount not to exceed \$74,000 from Fund 18524, Dept. 5665, Org. 6502, for the purpose of providing funds for the above project.

CITY MANAGER SUPPORTING INFORMATION: The City Council, in the 1988 Community Development Block Grant (CDBG) appropriation cycle, approved a \$77,300 grant to the Normal Heights Community Development Corporation, and a \$74,000 grant to the City Heights Community Development Corporation for neighborhood economic development activities. Major activities include maintaining meeting spaces for residents and business owners, promotion of special events, employment training for residents, and

development and implementation of revitalization and redevelopment of the communities. These grants will be administered by the Economic Development Division of the Property Department to ensure coordination with the Mid-City Commercial Revitalization Project.

ITEM-120: (R-89-486) ADOPTED AS RESOLUTION R-271898

Authorizing the execution of a first amendment to the agreement with Omnicom, Inc. for the design and specification of a new Police Radio System; authorizing the expenditure of an amount not to exceed \$40,546 (\$18,810 from CIP-36-046.0, Police Communications Upgrade for "Project B", and \$21,736 from CIP-33-069.0, Fire Department Support Services Complex), to supplement funds previously authorized by Resolution R-268316; authorizing the City Auditor and Comptroller, upon advice from the administering department, to transfer excess budgeted funds, if any, to the appropriate reserves.

CITY MANAGER SUPPORTING INFORMATION: The City is presently engaged in a consulting agreement with Omnicom, Inc., for designing an 800 MHz trunked public safety radio communications system for the Police Department. The contract amount is for \$103,267 and has three major milestones: I) Analysis and comprehensive plan; II) preparation of specifications; and III) bid evaluation. The consultant is nearing completion of Milestone II. However, during the last few months, the Police Dept. elected to drop their plans to use 800 MHz trunked radios. The new strategy is labeled "Project B" and has four basic elements: 1) continue use of existing VHF radio channels for Police; 2) acquire two or three VHF radio channels from other City Departments and public agencies; 3) accelerate use of Mobile Data Terminals on 800 MHz channels to reduce voice traffic; and 4) move non-public safety departments to 800 MHz channels in trade for their VHF channels. To accomplish Project B, it is requested that the existing contract be modified by: 1) revising the task delivery and payment schedule of the existing contract; and 2) adding new tasks in support of the

revised Project B configuration. The Fire Department is also in the process of developing a new Communications Center, consoles, a new Mobile Data Terminal system, and a plan for developing their radio system in relation to changes dictated by Project B.

Authorizing the execution of a contractual agreement with SANDAG for the accomplishment of a City-wide social service needs assessment survey during the period of September 6,

1988 to December 31, 1988; authorizing the expenditure of an amount not to exceed \$100,000 from Community Development Block Grant (CDBG), Fund No. 18524, Dept. 5666 for the purpose of providing funds for the execution of the above contractual agreement.

CITY MANAGER SUPPORTING INFORMATION: On August 3, 1988 the Public Services and Safety Committee approved a Manager's recommendation that the City enter into a contractual agreement with SANDAG for the accomplishment of a social service needs assessment survey. The survey will consist of telephone interviews of a random sample of not less than 2,660 citizens, using a random digit telephone dialing procedure and a standardized multi-lingual questionnaire. The sample will include more than 300 citizens from each Council district, and 140 from each of 19 community areas. In addition to the citizen survey, SANDAG will accomplish a service provider survey by mailing the same questionnaire to the directors of all social service agencies funded by the City, County, and United Way, and the City will accomplish a user survey by requiring that the directors of all social service agencies funded by the City distribute the questionnaire to their clients for completion. The final report will be prepared by SANDAG and submitted to the City on or about December 31, 1988. The social problems and related needs identified in the citizen survey will be ranked by City-wide, Council district, and community area results. The results of the service provider and user surveys will also be included in the final report for purposes of comparison. On receipt of the report, City staff and the Social Service Task Force will develop a social service funding methodology for the City Council's consideration. It is anticipated that a methodology will be approved by the Council prior to the development of funding recommendations for Fiscal Year 1990 programs and services.

Authorizing the execution of two agreements with the Sweetwater Union High School District and Mt. Carmel High

School District to provide a minimum of two San Diego Police officers at each regularly scheduled night home football game at Montgomery High School, Southwest High School and Mt. Carmel High School during the period of September 2, 1988 through December 31, 1988.

CITY MANAGER SUPPORTING INFORMATION: In past years, the City has entered into agreements with the San Diego Unified School District, Sweetwater Union High School District and Mt. Carmel High School wherein the City provided off-duty police officers to assist high school personnel with security at their regularly scheduled night football games. Although the schools are located outside the San Diego Unified School District, they are within San Diego city limits. Sweetwater Union High School District and Mount Carmel High School have requested renewals of these agreements for night games scheduled for the 1988 football season. Past experience has proven the arrangement is workable for all parties and the Police Department feels that continuation of services is in order. The general conditions of the agreement are:

1. The City provides a minimum of two police officers (paid by the City) and one vehicle for each event.
2. The City receives, as consideration, \$360 for each four-hour assignment of two officers and \$45 for each police-officer-hour thereafter.

Subitem-B: (R-89-537) ADOPTED AS RESOLUTION R-271903

Authorizing the City Auditor and Comptroller to transfer \$50,000 from Park Service District Fund 11395 to CIP-29-204.0, Murray Ridge Neighborhood Park Construction; authorizing the expenditure of an amount not to exceed \$50,000 from CIP-29-204.0, Murray Ridge Neighborhood Park, to supplement funds previously authorized by Resolution R-268924, dated July 27, 1987 and R-269713, dated November 16, 1987; authorizing the City Auditor and Comptroller, upon advice from the administering department, to transfer excess budgeted funds, if any, to the appropriate reserves.

CITY MANAGER SUPPORTING INFORMATION: The Murray Ridge Neighborhood Park Project is located north of Mission Center Road between Interstate 805 and Murray Ridge Road. Improvements will include an open play lawn, a children's play equipment area, multi-purpose courts, picnic facilities, horseshoe pitching area, 25 car parking lot, and other park amenities. Four bids were received on September 10, 1987. The low bidder, L.R. Hubbard Const. Co., submitted a bid of \$576,500. The project has had two previous change orders which have added \$41,804.23 to the construction cost. The third change order will increase the construction cost by \$25,458.46 and add 18 working days to the contract time. Change Order No. 3 includes the following:

1. Bury the ash found on the site under 3' of compacted soil to eliminate a possible health hazard in accordance with County Health Department recommendations.
1,100 cubic yards - Lump sum \$22,919.43
2. Regrade Escondido Avenue due to incorrect survey.
Time and materials - Not to exceed \$ 617.26
3. Install 100' of 3' chain link fence to prevent illegal parking at the east end of the park.
Lump sum \$ 990.90
4. Bury additional ash found on the site.
Time and materials - Not to exceed \$ 930.87
5. Add ten days to the contract time, 7 days for rain and 3 days for ash burial.

First public hearing in the matter of:

An Ordinance amending Ordinance O-17122 (New Series), as amended, entitled "An Ordinance Adopting the Annual Budget for the Fiscal Year 1988-89 and Appropriating the Necessary Money to Operate the City of San Diego for said Fiscal

Year" by amending Document No. OO-17122-1, as amended and adopted therein, by exempting one Deputy Director position from the Classified Service; amending the personnel authorization schedule of the Park and Recreation Department (440), Open Space Division (44610) to reflect the Deputy Director position as Unclassified, and establishing a salary rate therefor.

CITY MANAGER SUPPORTING INFORMATION: The newly created position of Deputy Park and Recreation Director (Open Space Division) is recommended for exemption from the Classified Service. The position has significant management level responsibilities which fall within the managerial definition contained in Charter Section 117(a) 17. This position has duties and responsibilities comparable in level of difficulty and independence similar to other Deputy Director positions in the City which have been exempted from the Classified Service. On August 11, 1988, the Civil Service Commission reviewed this recommendation and determined that the position met all criteria of the Charter and commented in support of exempting this position from the Classified Service. This position is shown in the FY 1989 budget, which included a reorganization to create an Open Space Division within the Park and Recreation Department. Administration Building.

(Balboa Park Community Area. District-8.)

CITY MANAGER SUPPORTING INFORMATION: For the past several
years there has been a cooperative effort on the part of the
City of San Diego and the Museum of Man to restore the Museum's
Administration Building located in Balboa Park (CIP-21-824.0).
Part of this cooperation has been an attempt to seek funding for
this project from the State of California as well as the Federal
Government. As a result of this effort, the FY 1988 budget for
the Department of the Interior, National Park Service, contains
\$200,000 for the restoration of the Administration Building. In

order to receive these funds, the cooperative agreement between the National Park Service and the City of San Diego must be completed. Under the terms of the agreement the City agrees to contract for the rehabilitation of the Administration Building and ensure that the work is performed in accordance with the approved plans and specifications. In return the National Park Service agrees to provide \$200,000 to this project.

Approval of the proposed Tierrasanta Norte Development Agreement between the City of San Diego and Tierrasanta Norte, a California partnership.

The proposed development agreement would apply to approximately 293 acres in the Tierrasanta community. The development agreement is being proposed to meet a condition

placed on an approved tentative subdivision map for the property. The primary purpose of the development agreement is to provide for the funding of public facilities through the owner's participation in the community's public facilities financing plan. The owner would agree to pay its fair share of fees or contribute facilities in lieu of payment as required by the public facilities financing plan for the community. The developer would also provide public improvements, facilities and services as required by the tentative subdivision map. The development agreement would assure the owner that the property could be developed in conformance with the Tierrasanta Community Plan, Tentative Subdivision Maps TM-87-0749 thru TM-84-0754 and TM-85-0272; Planned Residential Development Permits PRD-84-0749 thru PRD-84-0754, PRD-85-0272 and PRD-85-0796, Rezone Case-84-0754, and the Tierrasanta Public Facilities Financing Plan for the 15-year term of the agreement. Additional provisions are included in the draft development agreement.

The property subject to the proposed development agreement is located generally east of Santo Road and north of Clairemont Mesa Boulevard. A brief legal description is as follows: Parcels 2, 4, 5, 8, 9, 10, 12, 13 and 15, Parcel Map PM-14737, a portion of Parcels 2 and 3, Parcel Map PM-8547 and Final Map Nos. 10185, 10186 and 10187.
